About Vignan's Lara Institute of Technology & Science

Vignan's Lara Institute of Technology & Science was established with the aim of providing quality technical education on par with international standards at Vadlamudi, Guntur District in the year 2007. It is affiliated to Jawaharlal Nehru Technological University Kakinada, KAKINADA. The college is located in the green and transgenic and rural sylvan environs of Vadlamudi, on the Guntur-Tenali highway, about 14kms from Guntur and 11kms from Tenali. The college is a virtual haven of rural quiet and idyllic beauty spread over a large area. The splendid avenue and sprawling playgrounds and the verdure in and around the campus make it one of the most preferred choices for the aspirants of engineering studies. The college has 130 well qualified young and experienced staff of which seven are PhDs. and more than eighty five are M.Tech.

Anveshana Educational and Research Foundation (AERF) is devoted to the dissemination of Scientific, Management and Technological information around the world and makes all efforts towards achieving this goal. It seeks to strengthen research and advanced education in these and allied fields. AERF encourages new ideas or new perspectives on existing research. It is a registered non-profit association for academicians and researchers in the field of Engineering, Electronic Communication, Modeling & Simulation, Manufacturing Technologies, Marketing, Accounting, Economics, History, Law, Behavioral Science, Information Science and a myriad of other fields. It is an international medium for the publication of articles of interest to researchers in education and has rapidly become a major focal point for the publication of educational research from throughout the world. It also conducts International Conferences, Management Development Programmers and other events to enhance knowledge, skills, and the personal development of participants.
